Corner --- Left as found Found and tagged Established Reestablished Rebuilt

Identification and type of corner found: Evidence used to identify or procedure used to establish or reestablish corner: Refer to 17 CR 30 for ties to 1-1/2" Copperweld in roadway stamped "LS 2515; 35|36; 1975". Copperweld monument was destroyed as a part of a road grinding and repaving project. Swing ties per 17 CR 30 remain.

A description of the physical condition of the monument as found and as set or reset: There are no remains of the copperweld monument, but the 30' reference monument and swing ties per the Corner Record remain and were used to reestablish the monument. A standard Placer County well monument was set with a 3-1/2" aluminum disc stamped as shown on sketch.
